

**19th INTERNATIONAL SYMPOSIUM  
ON REGULATORY PEPTIDES  
20-23 August 2012, Copenhagen, Denmark**

**Social programme**

**Welcome reception: Monday 20 August**

“Get-together at LIFE” starts at 19.00. Delegates and accompanying persons are invited at the Faculty of Life Sciences (LIFE) by the local organizing committee and the Dean of the Faculty. The evening will include a gastronomic buffet of the finest seasonal food from the new Nordic cuisine and introduced by the master chef, Professor Claus Meyer (please see [http://www.clausmeyer.dk/en/the\\_new\\_nordic\\_cuisine\\_.html](http://www.clausmeyer.dk/en/the_new_nordic_cuisine_.html) for more information). New Nordic Cuisine will also be in charge of all the lunches provided during the symposium.

The venue will be located at the symposium site. Participation in the event is included in the registration fee.

**Formal dinner: Wednesday 22 August**

Formal dinner starts at 19.00. The dinner will be presented by professor Claus Meyer and the New Nordic Cuisine, the actual place for the dinner is still in the planning. However, we plan for a highly festive evening with both surprising and inspiring food. The entertainment will fit for a warm summer night in Copenhagen. This evening is included in the registration fee.
